The Nature of Wildworks held a family-friendly fundraiser on Sunday, June 7 at the historic Leonis Adobe Museum in Calabasas. This fun-filled day included a wildlife presentation, live bluegrass music, an extensive silent auction, activities for children, and a very special appearance by actress Wendie Malick.

Wildworks thanks the 180+ people who attended this special day as all the proceeds generated will assist with the care of the wild animals of Wildworks and help with our educational outreach presentations.

Our sincerest thanks to all supporters, volunteers and event sponsors. We couldn't have done it without you!

And to those of you who could not attend, we truly appreciate your continued support.

\$100 to \$149

James & Joyce Allen
